Meeting called by Paul McF at 7:02. 10 attendees.

No Cory. Working nights.

Mike Patoka Valley Amateur Radio club.

Julia not present

Tony, Max: approved meeting.

No change to treasury

Savings account status: no update.

Replace vice president.

Cory works nights often, leaves a high burden on Vice President. Had vision of Ham club for force multiplier for EMA.

PM suggested need strong vision and repeater knowledge to build on strong growth. Approach John Kettenger as potential replacement.

Need antenna and coax for link. AR apologizes for not having it done. Reported on discussion with Mayor Ader. Midwest Engr wants to paint between mounting plate and antenna base

Jump Start class: Third Saturday in September?

First Saturday in October: Hindostan – community activation? HF antenna, etc...

Is first Saturday a good day for breakfast? Should we try another?

Superman movie peaking interest in young kids for Ham Radio?

Andy: Jay: adjourn at 7:58
